Fashion Show Competition

At DPS, GBN, it is our prime objective to nurture the children in every field. To boost their confidence and to instill in them the importance of Independence Day and respect for their country, a 'Fashion Show Competition' was organised for the Day Care children based on the theme 'Freedom Fighters' on August 29, 2019. Our little munchkins enthralled us with their enthusiasm with which they participated in the competition.

Green Day

To reinforce the recognition of 'Green' colour, Day Care celebrated **Green Day** on September 13, 2019. The children came dressed in green coloured attires. They relished green vegetables in their tiffins. Girls had their nails painted green and all went back happy carrying green balloons. To further enhance the recognition of the colour and instill the love for Mother Nature, 'Plant a Sapling' Activity was also organised.

Hot & Cold Activity

Learning is always synonymous with fun at DPS. For a better understanding of the concept of 'Hot and Cold', Day Care organized **Hot and Cold Activity** on September 23 and 24, 2019 wherein, the children made 'hot chocolate milk' and were also treated to 'cold ice-cream'. They enjoyed the treat along with the learning of the concept.

Farm to Fridge Exhibition

Day Care children were exposed to a detailed and in-depth knowledge of farm animals, their babies and sounds through a 'Farm to Fridge Exhibition' which was organized on September 26, 2019. It showcased various farm animals and their products. Moreover, a dummy 'Dairy Shop' was also set up wherein the children saw various dairy products and could role play a customer and buy a product of their choice with fake currency. The children thoroughly enjoyed the role play and walked through our 'cute little farm'.

Hindi Rhyme Recitation Competition

Swachhata Pakhwada

“Cleanliness will be worldwide, but first you start from your side”

To instill the importance of cleanliness amongst children from an early age, Nursery and Prep Classes celebrated Swachhata Pakhwada from September 2 to September 13, 2019. The children were sensitised about keeping their surroundings clean through a wide range of activities including cleanliness song and dance, healthy hand wash activity, personal hygiene day, Swachhata Rally, etc. Children took the pledge to keep their school, homes & public places clean. The whole drive was quite inspiring and motivating for the children. The small steps taken by these young kids today will sow a seed for a bright future tomorrow!

Anmol Vachan Competition

India is a land of poets. Dohas are an integral part of our literary heritage. To unleash the poetic proficiencies of our young scholars, grade Prep organized ‘Anmol Vachan Competition’ on September 2 & 3, 2019. The little ones recited dohas along with their meaning in their own innocent way and left everyone spellbound with their soul-stirring expressions.
