Annual Presentation: Dussehra – The Victory of Good over Evil

One of the greatest epics of India and the most enduring tales told over and over by the essence of time - ‘Dussehra – The Victory of Good over Evil’ - The annual function, was presented by **Class III** students of **Delhi Public School, GBN** at the school’s **Tagore Auditorium** on **September 30 - October 1, 2019**. This riveting performance reinforced the belief in our core values of, the triumph of good over evil, value of relationships over materialistic comfort and to treat everyone equally. It truly gave a platform to our talented Dipsites to showcase their innate talent. On **September 30**, **Ms. Richa Ray, Parent Representative Class II**, graced the occasion as the **Chief Guest** along with our **Guest of Honour, Mr. V. Nanda Kishore, Parent Representative Class I**, and the **Esteemed Guest, Ms. Megha Mehra, Parent Representative Class III**. It was an honour to have **Ms. Anu Sinha, a renowned Kathak Dancer** as **Chief Guest** along with our **Esteemed Guests, Mrs. and Mr. Ashutosh Sharma, Ex Parent Representative on October 1**. The colorful array of dances illuminated the stage and charmed the audience with their fluid and graceful movements. The school choir enthralled the audience with the soulful rendition of the song ‘Mahi Re’. The parents were in awe and were spellbound by the spectacular kaleidoscope of music, dance and drama presented by the children.

Special Week - Appreciation Week

Gratitude is a simple expression of appreciation and acknowledgement of things, people and happiness we have in our lives. Being grateful for the things we have, opens the door of abundance. To show their love and gratitude, children of classes I - III observed ‘**Appreciation Week**’ from October 14 - 18, 2019. Special activities like ‘Appreciate our helpers’, ‘Thank You photo frame’ and ‘Appreciate your friend’ and ‘Badge making activity’ helped the children express their heartfelt love and gratitude towards their family, friends and community helpers. Children enthusiastically participated in the paper chain activity and had a great time playing the ‘Yantzee dice game’. The Appreciation Week was a great success as it helped children to learn the importance of what we have and to be thankful and appreciate the bounty that Almighty has bestowed us with. Children enjoyed all the activities and participated with great zeal and enthusiasm.

Eat Right Be Right

Healthy eating is often inculcated in our children in different forms. Children are always encouraged to follow a healthy diet and to stay fit. Thus, to inculcate healthy food habits, an Inter House Activity, Eat Right Be Right ‘**Salad Making**’ was organised on, November 13, 2019. The children enthusiastically prepared a variety of salads using fruits, vegetable and pulses. Emphasis was given to the hygiene, which was an important criterion while preparing and dressing the salad. The children were judged on presentation, taste and nutritional value. The students enjoyed this activity which was also a great learning experience for them.

Inter House Activity – Wordsmith

An inter house activity ‘**Wordsmith - (Spell Bee)**’ was conducted for the children of Class III on October 18, 2019. The benefits of activities like spell bee extend beyond just learning the language. Here the children are required to spell out words in front of an audience. This helps them develop self-confidence, improve their communication, provides them a platform of public speaking and the ability to thrive under pressure. In the Intra class Wordsmith activity, the children were asked to spell out certain words. With every correct spelling, they progressed to the next round till we had our Intra class top three winners. On October 22, 2019, the Intra class top three winners participated in an Inter class Wordsmith activity. Our final Class III top three winners made us proud. All the children were excited and participated with great zeal and zest. It was indeed an interesting activity for the children.

Competition - Ad Mad

As educators, it is vital for us to enhance creativity in our young students to help them become the best version of themselves. With the same ethos in mind, we organized ‘**Ad Mad**’, an Intra Class Competition for Classes I & II on October 22, 2019. The competition was organized with an objective to introduce our students to the world of advertisement and give them a platform to showcase their creative bent of mind. Class I held its competition ‘**Ad Mad Act Enact**’ in the Performing Arts room, wherein, the students presented advertisements in the most unique manner by performing dance, jingles and adding an element of humor to it. The students of class II enthusiastically participated in the ‘**Ad Mad Poster Making**’ competition, presenting innovative advertisements and captions and the outcome was incredible. The criterias of judgement were content, creativity, presentation and neatness. There was enthusiasm, commitment and dedication amongst all the children. The competition successfully helped in broadening the horizon of the children.

Special Week – Little Shakespeare

Poetry is an aesthetic and rhythmic overflow of powerful emotions. Children enjoy the beauty of expression, thoughts, feelings, rhythm and music of words. Keeping the same in mind, DPS-GBN organised a special week, ‘Little Shakespeare’ from November 6 – 18, 2019. The week began with our young ones punctuating a poem, which helped them understand the correct nuances of recitation with correct intonation. In the activity “My Story, My World”, the children were encouraged to understand characterisation. Grammar activities were beautifully interwoven to enhance critical thinking. Our young scholars were taught to express layers of every emotion and the activity of reciting a humorous poem in the activity “Poetry in Motion” brought home the point. The activities “Dream Jar” and “I Spy with My Little Eye” encouraged the children to weave together their thoughts into words. The children were encouraged to write about their dreams and inspirations. The children enjoyed writing their own story based on a picture shown. The unprecedented holidays which staggered the activity week, did not deter our young ones, who were excited and participated in all the activities with great zeal and enthusiasm.

Assembly – Children’s Day

Our first Prime Minister, Pandit Jawaharlal Nehru’s birthday, is celebrated by the entire nation as **Children’s Day**. It was a wonderful theme which was presented beautifully by classes II G & H on November 21, 2019 for their assembly. The P.A room was beautifully decorated, and children came dressed in their best ethnic wear. The atmosphere was tingling with excitement, enthusiasm and happiness. The assembly commenced with the National Anthem followed by the prayer. The students shared interesting and informative facts on the life of “Chacha Nehru” and his genuine love for children, whom he believed were a beautiful blend of grace and purity. Children also performed an interesting skit followed by a foot tapping dance performance. Finally, a mind tickling quiz was conducted which everyone enthusiastically participated in. This beautiful assembly was enjoyed by one and all.
