Special Week - Magical Mathematics

Mathematics is all about learning numbers with fun. To create and retain interest and fun in the subject, 'Magical Mathematics Week' was organized from January 20-24, 2020 for classes I-III. The week commenced with a funfilled activity, Tippy Tippy Top, wherein, the children played this game involving all the mathematical operations. Bingo, was a pulsating activity, which was a race against numbers in order to win the game while, in Number Jungle our young learners had fun drawing animals from numbers. Poems on shapes were recited by our young ones which helped them understand the topic well. The week culminated with a well-crafted quiz. The week was enjoyed by one and all.

Competition - Make a Wish

Music is very vital for the holistic development of a child. DPS, GBN organized an Intra Class Jingle Writing Competition, 'Make a Wish' for students of class II on January 22, 2020 with an objective to inspire our young ones to create their own jingle with music, rhyme and rhythm. The theme of the competition was, 'Friendship/Sharing and Caring'. The children put up a beautiful array of jingles ranging from soul stirring and melodious compositions to fun loving and funny ones. The competition provided the children a platform to exhibit their talent and confidence. Participants were judged on parameters like content, creativity, presentation and relevance.

Competition – Biscuit Decoration

Interactive activities always help children in showcasing their innate talent. Keeping the same ethos in mind, an Intra Class Competition, ‘**Biscuit Decoration**’ was held for students of class I on January 27, 2020. The children put up a beautiful display of biscuit toppings which included chocolates, jams, gems and more. It was not only a visual delight as the dishes were very tasty too. The children were excited and participated with full zeal. The competition provided them with a platform to learn and display their culinary skills.

‘A Salute to our Tricolor’

Republic Day was celebrated with great zest and fervour as classes III I & J conducted an assembly on ‘**A Salute to our Tricolor**’ on January 23, 2020 in the school’s amphitheatre. The students instilled a feeling of patriotism and pride as they shared interesting facts of our national flag. Our young audience enjoyed the foot tapping dance performance and were in awe to see the yoga asanas being presented so beautifully. Our young ones were reminded of the history of India’s freedom as they watched our students dressed as freedom fighters, expressing the famous slogans. It was truly a beautiful assembly.

Rocksport Adventure Camp

Every champion was once a contender who refused to give up. Keeping the same ethos in mind, an Adventure Camp, ‘**Rocksport Program**’ was planned at Camp Muddy Boots for classes I & II on January 31, 2020. The young Dipsites gained new perspective as they participated in various activities with different obstacles. The activities like Burma bridge, wall climbing, tyre maze, tug of war, commando net and zip lining not only helped the students to test their fitness level but also helped them to develop good interpersonal and problem solving skills. The horse cart ride and the pottery activity truly enhanced the experience of rural adventure. All the students enjoyed the camp, exhibiting great energy and enthusiasm.
