SNIPPETS

‘The care they need, The love they deserve’

Until one has loved an animal, a part of one’s soul remains unawakened. Believing this fact the students of classes IV and V visited the animal hospital and shelter in sector-94, Noida.

The students had collected various supplies, food items and medicines for the animals. The teachers and parents of the primary wing had also contributed towards the noble cause. The shelter was grateful for the additional help as they had been reeling under a shortage of supplies. This ‘Joy of Giving’ was an enriching experience for our students.

Wave Mall Visit

21 students from classes IV-VI of DPS,GBN went to Wave Mall Noida on December 3, 2019 to attend the dance together program **Toh Kya Hua**, organized by Mata Bhagwanti Chadha Niketan which is part of The Ponty Chadha Foundation. The aim of the program was to sensitize the students towards those with special needs. The students danced along with special needs children and adults and shouted the phrase “*Toh Kya Hua*” in response to statements like “*wo sun nahi sakte...*”, “*wo thik se padh nahi sakte*” etc. It was a fun and educative program.

Great stories happen to those who can tell them

There is something in us, as storytellers and as listeners to stories, that demands the redemptive act, that demands that what falls at least be offered the chance to be restored.

To renew and promote the art of *storytelling* for children, DPS,GBN had conducted a storytelling competition in which each student had narrated a story that was unique and creative in its own manner. This competition broadly aims at promoting creativity among students, promoting thinking skills, enhancing analysis and evaluation skills and developing communication skills.

Story of reflection, renewal and a revitalised life, it highlights on the crucial lesson that pursuit of happiness ends at family, friends while wealth, position and power are superficial.
