finals again. He was awarded by a participation certificate for his overall performance.

### A glimpse of 'Gram Anubhav'

To promote learning by seeing, students of '**Young Scientist Club**' of classes III, IV and V got an opportunity to visit a small village named '**Gejha**' in **Noida** on **November 19, 2016**. This excursion helped them to know about farming techniques as well as rural life style. Children also interacted with the

farmers. The excited students saw the vegetables like cauliflower, spinach, mustard greens, radish and brinjal growing in the fields. They also saw cow dung cakes and a small version of field irrigation.

### One Nation Reading Together

**“Let's grow a nation of readers.”**

- Mr Uma Krishnaswami.

To inculcate good reading habits among students and to inspire them to read more, **DPS, GBN** in collaboration with '**Scholastic India Pvt Ltd**' conducted a '**One Nation**

**Reading Together**' activity on **November 25, 2016**. The activity was conducted under the supervision of class teachers wherein the students of classes III-V read stories from their Literature Reader. Stories read by the students were Tapodutta (Class III), The Pied Piper of Hamelin (Class IV) and Alice Feels Puzzled (Class V). Story

reading was followed by a discussion on the importance of reading.
