## DAY CARE

### YELLOW DAY

To strengthen learning of colour 'Yellow', Day Care celebrated '**Yellow Day**' on **Tuesday, July 10, 2018**. The day comprised of fun activities to strengthen recognition of the colour. The children looked pretty dressed up in yellow attires. The day began with a Special Assembly followed by 'Tang Making' activity and eating yellow coloured food in their meals. Yellow nail paint, tattoos, balloons and games made the learning of the concept fun and interesting.

### BAKING A CAKE

The month of July witnessed some of the most interesting activities of the year. To reinforce letter C, Day Care organized "**Bake a Cake**" activity on **Thursday, July 19, 2018** for its tiny tots. Children enjoyed mixing the batter and baking the cake as a part of learning. They enjoyed singing the rhyme 'Pat a Cake' while mixing the batter.

## NURSERY

### GREEN DAY

Our world is filled with colours. To develop colour recognition, Nursery wing celebrated **Green Day** on **Monday, July 9, 2018**. The kids came dressed up in green coloured clothes and brought green vegetables in their tiffins. The day began with a special assembly where a story was narrated through puppets followed by a Nature Walk.

### FUN & FROLIC DAY

To brush off the furious summer sun, Pre-Primary wing of DPS, GBN organized "**Fun and Frolic Day**" on **Friday, July 13, 2018**. Our tiny tots wore colourful swimming costumes and hopped in the splash pool. Their eyes were gleaming with joy as they danced on their favourite music in the rain. The rain dance was indeed a magnificent way to beat the scorching heat.

## PURPLE DAY

A very important part of learning during Kindergarten years is identification and recognition of colours. **Nursery** celebrated **Purple Day** on **Monday, July 23, 2018**. To develop cognitive skills of our kids, a Special Assembly was conducted followed by "Show and Tell" activity. Our young Dipsites astonished us with their fascinating performances.

## POLLUTION PATROL WEEK

In order to create environmental awareness amongst our future generation and contribute to a cleaner environment, we at DPS, GBN celebrated '**Pollution Patrol Week**' from **Monday, July 16, 2018 to Friday, July 20, 2018**. The idea was to bring environmental issues to life through a wide range of fun and interactive activities like short movie on Environment Conservation, Painting on Pollution Free World, Badge Making with Pledge, Cleanliness Drive at school and last but not the least a special assembly on 'Stop Pollution'.

## FOOTLOOSE

## PREP

Dance is a powerful ally for developing many attributes of a growing child. In order to develop the dancing spirit and motivate our young learners, a dance competition - '**Footloose**' was organized by grade **Prep** on **Thursday and Friday, July 12 & 13, 2018**. The toddlers came dressed up in colourful attires, and enthralled everyone with their amazing dance performances.

## POLLUTION PATROL WEEK

In order to make our young learners aware of different types of pollution and a solution to the same, a **special week** on '**Pollution Patrol**' was observed by the scholars of grade **Prep** from **July 16 - 20, 2018**. The week included a plethora of activities viz. puppet show, poster making, craft making, PowerPoint presentation and worksheet on pollution. The week concluded with the rally taken out by the young scholars emphasizing the importance of clean and pollution-free environment.
