## CLASSES I - II

### POLLUTION WEEK

Children of classes I and II celebrated **Pollution Week** from **16-20 July, 2018**. During this week, the children were sensitized towards the adversities of increase in pollution. They did worksheets, made a collage on sparrow and pledged to make efforts to preserve the environment in their own little ways. They also adopted a tree and promised to take care of it.

### SPECIAL ASSEMBLY

**Class II-H** presented a spectacular assembly on pollution and its ill-effects and how we as individuals can create awareness around us. With the help of various activities, children were sensitized towards the current ecological problems and were encouraged to preserve nature in the best possible way.

### WORKSHOP ON "NOISE POLLUTION"

A workshop on "Noise Pollution" was organised by Miss Sudha Pandey on Friday, July 20, 2018. Traffic Inspector, Mr. Balbir Singh, educated our young ones about the increasing traffic and its hazardous side effects like noise pollution, air pollution and increasing numbers of accidents. The workshop was interactive and children promised to do their little bit to help protect the environment.
