DAY CARE | NURSERY | PREP YOUNG CHAMPIONS

"At a young age, winning is not the most important thing...the important thing is to develop creative and skilled players with good confidence."

-Arsene Wenger

The **Pre-primary wing** organised '**Young Champions**' (fun races) on **Wednesday & Thursday, December 12 & 13, 2018**. Children participated in a variety of fun races like Umbrella race, Zig-zag race, Bean bag race with great enthusiasm and exuberance. The day was full of excitement and great exhibition of sportsmanship qualities by young dipsites. Kudos to all our little ones who displayed that competition is not all about winning but about the spirit of competing with fun.

CHRISTMAS PARTY

Christmas – a time to give and forgive is celebrated annually everywhere to commemorate the birth of Jesus Christ on December 25 with great joy and enthusiasm. The tiny tots of **Day Care, Nursery & Prep** too celebrated Christmas with the same fervor and joy on **December 24, 2018** wherein, all the kids looked radiant dressed up in red and white attires.

The entire pre-primary wing vibrated with echoes of carols and jingles. The children brought party food and were acquainted with the spirit of giving and sharing. They were told about the birth of Jesus Christ and the legend of Santa Claus. A special assembly was presented by little angels of Nursery Carnation wherein jingles like 'Jingle Bells', 'Dashing through the snow' filled the air with festivity.

DAY CARE

TOMATO SOUP PARTY

As we advanced in learning the letter 'T' with our **Day Care** kids, children enjoyed **Tomato Soup Party** on **Thursday, December 13, 2018** by sipping warm 'tomato soup' to strengthen the concept of related objects. They enjoyed stirring tomato soup powder in water and took multiple helpings. The party gave them relief from winter chill.

VISIT TO CHURCH

"The spirit of Christmas is the spirit of love and of generosity and of goodness. It illuminates the picture window of the soul, and we look out upon the world's busy life and become more interested in people than in things"

- Thomas.S.Monson

The Joy of Christmas was experienced by our tiny toddlers of **Day Care** when they made a visit to a nearby church on **Friday, December 21, 2018**. Our teachers sang carols for them and they prayed to the almighty for His generosity. Children got a big surprise as Santa Claus made an appearance. He distributed sweets and got a picture clicked with each of them.

NURSERY

HELPERS' CORNER

A community needs many people to pitch in for it to function well. It is important for all of us to know the ways in which community helpers make our lives better. It helps us appreciate their work. Moreover, we can also help them to do their jobs better if we understand the role they play. In order to meet this objective, **Nursery** organised **Helpers' Corner activity** on **Friday, November 30, 2018** by inviting various community helpers like doctors, lawyers etc. to the school. Kids were enthusiastic watching various equipments and procedures performed by them during demonstrations. Furthermore, kids came dressed as different helpers and spoke about the services provided by them. It was fun based learning for children.

NURSERY | PREP

"Giving, not getting, brings to full bloom the Christmas Spirit."

- President Thomas S. Monson

To celebrate Christmas, the W.E. children of classes **Nursery and Prep** presented a splendid assembly on '**Joy of Giving**' on **Wednesday, December 19, 2018**. The 'Story Telling' club beautifully presented the story of birth of Lord Jesus Christ followed by carols by the toddlers of 'Rhythm Divine' club. The dazzling performance by the 'Spirit Dancers' spellbound everyone. The little ones were also told the significant meaning of Christmas i.e. bringing joy to others' lives.

TRIP TO KIDZANIA

Excursions are an important part of school life and it gets more exciting when it is a trip to KIDZANIA. Our kids of **Nursery and Prep** went to **Kidzania** on **Thursday, December 20, 2018**. Each child was thrilled performing roles of a firefighter, doctor, chef, radio jockey and so on. Role play helps in broadening the creative horizon of a child. The children had a gala time exploring a new world of excitement and returned home with lots of stories to tell about their adventure.
