DAY CARE

VISIT TO A VEGETABLE MART

At DPS, GBN, we believe in experiential learning. To strengthen the concept of 'vegetables', small babies of **Day Care** made a visit to a vegetable mart on **Tuesday, January 15, 2019**. The journey highlights were the bus ride, loads of green vegetables and singing related rhymes

in the market. The children were made to understand the

concept of weighing the vegetables and using money to buy them. It was indeed great fun for our little kiddos.

DAY CARE | NURSERY

RHYME RECITATION COMPETITION

The tiny tots of **Day Care and Nursery** got an opportunity to exhibit their talent and confidence in '**Rhyme Recitation Competition**' organised on **January 21 and 22, 2019**. Melodious rhymes with fabulous voice modulation and incredible expressions brightened up the environment. About 150 children

participated in the competition and came prepared with different rhymes of their choice with different themes like trees, animals, flowers, nature, fruits, etc. Judges

appreciated and applauded the performance of our tiny scholars.

The event was instrumental in enhancing the linguistic skills, overcoming the stage fear and inculcating confidence in young children.

NURSERY | PREP

SERVE ME RIGHT

At a tender age, it is very important for us to instill in toddlers, care and respect for others especially the elderly people. Keeping the same ethos in mind, scholars and faculty of class **Nursery and Prep** conducted an eventful day based on the theme **Serve Me Right** on **Wednesday, January 15, 2019**. A puppet show was organized to apprise the little ones of the significance of the elderly people in the family. The

children also made a beautiful craft by pasting colourful flowers and leaves on a cut-out of a tree. They attached the pictures of their grandparents in the craft and took it home gleefully.

PREP

KALA VATIKA

Gardening is a wonderful way for the children to discover, explore and learn. To let them explore and learn various things about the plants and the tools of gardening, an activity '**Kala Vatika**' was conducted on **Wednesday, December 23, 2019** for the toddlers of

grade **Prep**; wherein they were taken to the school's garden. The little ones felt fascinated to see the beautiful world of flora. The tools of gardening were also shown and described to them by the gardener. The activity connected the kids with nature and taught them how we can take care of our plants.

EVENTS: JANUARY, 2018-19

REPUBLIC DAY ASSEMBLY

India celebrated its 70th Republic Day on Saturday, January 26, 2019. To commemorate its significance and to enthuse patriotic feelings in our young ones, a special **Assembly on Republic Day** was held on **Thursday, January 24, 2019** by the scholars of grade **Prep**. The assembly began with the national anthem and prayer followed by the song 'Sare Jahan Se Achha'

sung by our little ones. The song gave everybody goosebumps and inspired the audience to join and soon everyone was singing along. The children then demonstrated magnificently the national symbols of India. The assembly culminated with a dance performance by the kids on the song 'Ye Des Rangeela' which mesmerized everyone.
