CULINARY SKILLS: OPENING CEREMONY AND WORKSHOP (BY IIHM)

Students of classes VIII-IX gave a dance presentation in IIHM opening ceremony in Dr. Sarvapalli Radhakrishnan Auditorium on January 28, 2019. The performance was appreciated by all.

On the same day, A Culinary Skills workshop was organised in the school by IIHM. Colours, flavours, drooling foodies—it was a day of sumptuous delights when Maite Azkarate Marti, a culinary maestro from Spain associated with ESHOB, a training institute for hospitality industry professionals based in Barcelona, conducted a workshop on culinary skills and techniques. Sharing with the students her vast range of experience, she let them in on quite a few tricks of the trade. She was accompanied by two students of IIHM, who talked about the growth of hospitality as a viable career option, its scope and significance in the economy. Delving inside the mind of professionals, the students got an insight of the secrets behind their daily lip-smacking delights and luxurious getaways.

PARIKSHA PE CHARCHA

It is that time of the year again! The tireless and long working hours, which will lead to the final battleground. Yes, we are a month away from the Class 10th and 12th Board Examinations. With the students and parents caught in the make-or-break stress, Prime Minister, Shri Narendra Modi was back with 'Pariksha Pe Charcha' at Talkatora Stadium in Delhi, on Tuesday, January 29, 2019. Over 2,000 parents and teachers were in attendance, and many more joined the live telecast in various schools. The students of classes IX-XII witnessed this interaction in the school auditorium as the Prime Minister had a motivating and light-hearted interaction with students and their parents to ease their nerves.

While highlighting the importance of exams as a means to avoid complacency, he dissuaded parents from putting undue pressure on students. The PM went on to touch upon various facets of success like time management and motivation. The highlight of the interaction was the Prime Minister's opinion about the evident distraction that technology brings with it. The Prime Minister advised the students to use technology as a positive force and assured them that this would pay rich dividends.
