## Apple Chaat Party

Learning is so much fun when accompanied with interesting activities. To enhance the understanding of the letter 'A', Daycare conducted an 'Apple Chaat Party' on Thursday, May 02, 2019. The children enjoyed eating the tasty, crunchy 'Apple Chaat' made with apples which they had got from home.

## Red Day

Our world is filled with colours. To develop colour recognition, Daycare & Nursery wing celebrated 'Red Day' on Thursday, April 25, 2019. The kids came dressed up in red-coloured clothes and brought red-coloured food items in their tiffin. The day began with a special assembly where a story and rhymes were presented using red-coloured props. The day comprised of fun filled activities like 'Fill-the-Basket' with red-coloured objects, 'Find the Red Gem' and 'Tattoo Making' to strengthen recognition of the colour among the children.

## Blue Day

“Blue colour is everlastingly appointed by the deity to be a source of delight” - John Ruskin

Nursery wing at DPS GBN celebrated ‘Blue Day’ on Tuesday, May 14, 2019 to strengthen recognition of colour ‘Blue’ and objects related to it. The children came dressed up in beautiful blue attire. They enjoyed and participated in the activities with great zeal. Kids had fun playing the ‘Blue Balloon Game’.

## Yellow Day

In order to strengthen learning and recognition of the colour ‘Yellow’, Nursery wing celebrated ‘Yellow Day’ on Tuesday, May 07, 2019. Our tiny tots looked pretty dressed up in yellow attire. The day began with a Special Assembly followed by ‘Lemon & Spoon Race’ and eating yellow coloured food in their meals. Yellow tattoos, balloons and games made the learning of the concept fun and interesting.

## Sense Booth

The five senses were introduced to the **Nursery** children through set up of a **Sensory Booth** in the school premises on Thursday, May 09, 2019. The concept was explained through demonstrations by the teachers and variety of hands-on activities were organized for the children. The children moved from booth to booth to sense hearing, smell, touch, taste and sight. The activities planned by the teachers captured the essence of each sense. The children excitedly carried their takeaways (related to each sense) back home.

## Mickey Minnie Party

Every child has a dream to have a friend like Mickey Mouse, who is full of adventure and fun. The corridors of **Nursery** wing came alive with the presence of Mickey and Minnie on Friday, May 17, 2019 as they celebrated the '**Mickey Mouse Party**'. Our young Dipsites, dressed up in their favourite party attire, entered in the 'Castle of Dreams', where they were offered a dose of refreshment and relaxation. A beautiful and lively setup was made with a display of Mickey and Minnie characters. Kids had a roller coaster ride in Games Zone along with fun at the Dance Floor. The children exchanged loving goodbyes with each other and promised to come back with unlimited stories to tell after the summer break.

## Earth Day Assembly

'When we heal the Earth, we heal ourselves.' - David Orr

Earth Day is celebrated all over the world as a reminder to take care of the beautiful gift that God has given us in the form of planet Earth. To make our toddlers aware of the importance of our mother Earth for us, **Earth Day Assembly** was conducted by grade **Prep** on Tuesday, April 23, 2019. The little ones sang a song conveying the message to curb, control and limit the use of plastic. A dance performance on an inspiring Earth Day song enchanted everyone. The role play on pain and suffering received by the trees while they are being cut, touched the heart of all. The assembly concluded with the message that each one of us can make a difference in saving our mother Earth.

## Mother's Day Celebration

'All that I am, or, hope to be, I owe it to my angel mother.'

To celebrate the spirit of motherhood and felicitate the special bond a child has with his mother, grade **Prep** invited its wonderful moms for **Mother's Day Celebration** on Friday, May 10, 2019. The dazzling classrooms of grade Prep were filled with the air of love and warmth when the beautiful moms graced their wards' second home (school) with their presence. Tears started rolling out from the eyes of the moms seeing their tiny tots performing excitedly on the song 'Meri Pyari Ammi'. A remarkable coordination between the mothers and the children was witnessed during the competition, 'Best out of Waste'. A variety of games and activities captivated their interest till the end. The celebration culminated with the moms being presented with beautiful photo frames carrying a picture of theirs' with their little ones. The celebration strengthened the bonding of the child with their moms and the teachers all the more.

## I-Card Making Activity

Self awareness forms an integral part of a child's grooming. Keeping the same in consideration, grade **Prep** conducted an **I-Card Making Activity** on Tuesday, May 7, 2019. The little ones were provided with a beautiful rectangular shaped cut-out that simulated I-cards wherein they filled their details viz. name, class, phone no., bus route and affixed their photograph too. The toddlers felt a sense of accomplishment after creating their I-cards themselves and enjoyed the activity.
