Inter House Activity – Freedom of Expression

Debate is a structured way of expressing thoughts and ideas. Keeping this in mind, an Inter House Debate Competition ‘Freedom of Expression - Should We Celebrate Green Diwali?’ was organized on December 5, 2019. One could feel the excitement in the air as the two teams got ready for the competition. The children first introduced the topic and then had a rebuttal session. Each speaker put forth their views and perspective very effectively. This was indeed a very novel and different experience for the students. They learnt how to research for points on the topic given. It improved their critical thinking skills as they had to put together their arguments with conviction. The rebuttal session helped develop critical listening and increased retention of information learnt. The children participated with great zeal and enthusiasm.

Special Week – Book Week

Books give wings to the imagination. We at DPS, GBN believe in the enrichment of vocabulary of our little ones right from the beginning. Keeping this in mind, a special week, ‘Book Week-Reading is Fun’ was organized from December 9 – 13, 2019 for classes I - III. As part of special week, a book was gifted to all the students and a story telling session was arranged for them which was the most wonderful way to instill the joy of reading amongst them. Students indulged in creative activities like designing their superheroes, book covers and bookmarks. Grammar Hunt and Word Search helped students to be more analytical and encouraged lateral thinking. A book fair was organized through the week to enable the children to choose their favourite read. The week helped in boosting reading habits and increasing their knowledge and vocabulary.

Christmas Card Making

Christmas is the most exciting time of the year as it brings love, joy and happiness. To celebrate the festive cheer, an Intra Class Competition ‘**Christmas Card Making**’ was organized on December 23, 2019 for class I. This unleashed the artistic and creative side of the children as they used various ecofriendly decorative material for this competition. Everyone was mesmerized by the beautiful eco-friendly cards made by them. These activities help children hone their skills and inculcate a sense of responsibility towards our environment. The children participated with great zeal and enthusiasm and filled the environment with festive joy and happiness. The competition left a smile on every child’s face and was a grand success.

Special Assembly – Joy to the World

‘Christmas’, the birth of Lord Jesus was celebrated by the children of class II I & J on December 24, 2019. The theme of the assembly was ‘**Joy to the world**’. The children came dressed in their best party wear and were very excited about the assembly. The venue was beautifully decorated, and the atmosphere was tingling with happiness, zest and festivity. The assembly started with the National Anthem followed by the prayer. The children mesmerized everyone with the famous song, ‘Sing Hossana’. It was followed by an entertaining solo synthesizer performance which swept everyone off their feet. The highlight of the show was a foot tapping dance performance on the song, ‘We wish you a merry Christmas’ that set the stage on fire! Children also shared many interesting and informative facts about the festival and Lord Jesus with the audience. In the end, a small quiz was conducted which everyone enthusiastically participated in.
