HERITAGE WEEK

Heritage is the legacy of the past and is what we treasure today. With an aim to raise awareness among the students about the diversity of our cultural heritage, **Day Care, Nursery and Prep** celebrated '**Heritage Week**' from **Monday, August 6, 2018 to Friday, August 10, 2018**.

The children were sensitized through wide range of fun and educational activities like discussions and videos, collage making, short skits and last but not

the least 'Special Assembly' on 'Heritage of India'. The highlight of the week was the spectacular and splendid tableaux presented by our young scholars.

DAY CARE & NURSERY

ORANGE DAY

As part of our learning colour series, **Nursery** celebrated '**Orange Day**' on **Monday, August 13, 2018** wherein a dynamic and stimulating learning environment was created to help children explore their imagination and creativity through meticulously organized drawing and craft activities along with games.

Our tiny tots looked pretty dressed up in an orange attire. The kids also enjoyed eating orange coloured food in their meals.

INDEPENDENCE DAY

Independence Day is a national festival which is celebrated annually as an anniversary of national independence from British Empire on August 15, 1947. To imbibe the feeling of patriotism and brotherhood in children, **Day Care and Nursery** celebrated **72nd Independence Day** on **Tuesday, August 14, 2018**. The kids came

dressed up in tri-coloured clothes and made tri-coloured rangoli. The corridors of pre-primary wing echoed with patriotic slogans.

EVENTS: AUGUST, 2018-19

BLUE DAY

Day Care celebrated **Blue Day** on **Tuesday, August 21, 2018** to strengthen the recognition of colour 'BLUE' and objects related to it. The children came dressed up in beautiful blue attire. They participated and enjoyed the Blue Day assembly and spoke two lines about a blue coloured object that they got from home. Kids had fun participating in 'Blue Gems' activity and the girls were delighted when their nails were painted blue. The children left joyous, carrying blue balloons with them!

FASHION SHOW

In our endeavour to focus on enhancing the personality of our kids, **Day Care** and **Nursery** organized a **Fashion Show** on **Friday, August 24, 2018** and **Monday, August 27, 2018**. The theme of the event was 'Goa'. Little Dipsites turned into models and left the judges stunned with their stage presence and confidence. It was a perfect blend of creativity, grace and style. Adorable looks, costumes, expressions and foot tapping background music stole everyone's heart.

PREP

PHOTO MONTAGE ACTIVITY

In yet another endeavour to provide our children with an opportunity to unleash their creative skills, a fun class activity, '**Photo Montage**', was organised on **Friday, August 3, 2018**. The scholars assembled the materials (cut-outs, stickers, etc.) brought from their home and voila! they came up with stupendous picturesque scenes of the underwater realm. The activity was thoroughly enjoyed by one and all.

RAKHI MAKING ACTIVITY

Rakhi signifies the bond of togetherness between a brother and a sister. To celebrate this bond of togetherness, **Rakhi Making Activity** was carried out on **Friday, August 24, 2018** wherein the little ones assembled and created their own rakhis with the help of decorative materials. They also carried the bond of togetherness home in the form of a '**Seed Rakhi**' attached in their almanacs to be planted in their homes so that they can see their bond growing in the form of a plant.
